

Legacy Society

Mary's Center is fortunate to have dedicated benefactors supporting its mission, including many who have chosen to secure its future through planned gifts. These generous visionaries have turned their compassion into action.

To express our appreciation for this committed group of donors who have remembered Mary's Center in their estate plan, we established the Legacy Society. Members of this special group share the common bond of philanthropy and vision to provide for the needs of future generations. We invite you to join with other compassionate philanthropists who share your passion.
